FOR IMMEDIATE POSTING**PUBLIC NOTICE FOR COMMENT**

**State of California's
Draft Consolidated Plan Five Year Update 2010-2015 and
FY 2010/2011 Annual Plan**

The State of California, Department of Housing and Community Development (HCD) is soliciting public review and comment on the following:

- 1) The Draft Consolidated Plan FY 2010-2015, and
- 2) The Draft 2010/2011 Annual Plan for the State of California's Consolidated Plan

The Consolidated Plan is a five-year plan, which is updated annually and submitted to the Department of Housing and Urban Development (HUD) to enable the State of California to administer approximately \$151 million in federal formula block grant funds. The programs covered by the plan include the Community Development Block Grant (CDBG), Home Investment Partnerships Program (HOME), and Emergency Shelter Grant (ESG) programs that are administered by HCD, the Housing Opportunities for Persons with AIDS (HOPWA) program administered by the California Department of Public Health, and the Lead-Based Paint Hazard Reduction Program administered by the California Department of Community Services and Development. The Consolidated Plan is applicable to non-entitlement jurisdictions that are eligible to compete for allocation of these funds by the State. With this draft 2010-2015 Consolidated Plan, the State of California examines the housing and community development needs of the state and plans the use of available federal funds to address these concerns and improve the quality of life for its low-and moderate-income residents.
